Linda Enlow

Thurston County Clerk

January 2015 - Present (7 years 5 months)

Business Analyst

August 2012 - December 2014 (2 years 5 months)

Thurston County Chief Deputy Clerk

January 1991 - August 2012 (21 years 8 months)

Linda Enlow

She states on her web site that she has:

- Completely reorganized the paperwork in the clerk's office
- Developed procedures to convert paper documents to electronic documents
- Created a system for the public to purchase court documents on the web.
- Planned and prepared for the complete conversion to a paperless court with Superior Court Judges and staff.
- Created process for scanning and auditing of court documents

As Clerk, her top priorities are to:

- Work with the Superior Court Judges and staff to complete the task of making the Clerk's office entirely paperless.
- Ensure that Thurston County has a successful implementation as the "pilot court" for the new statewide case management system.
