PROTECT OUR QUALITY OF LIFE

Donations for Homeless

Let’s celebrate Thanksgiving by donating our extra articles to the homeless.

“Love Abounds Here” is a homeless advocacy and outreach group in Yelm. They are asking for donations of blankets, sleeping bags, mens coats, gloves, socks, 8x10 tarps, men’s jeans sizes 30 through 34, men’s shoes sizes 10 through 12, rain ponchos, sewing kits, long johns M,L, or XL, first aid kits, hand warmers, duct tape, size AA and AAA batteries.

There are about 50 homeless in Yelm. One working dad, with 2 small children, is living in his car and buying extra gas to run the car during the night to stay warm. His expenses of food and child care do not leave enough left for rent and move in fees.

ACTION:

Clean out your closet and then have your donations picked up by sending an email to: Olyindigiveable@gmail.com.

Pressure Trump Supporters For Impeachment.

We don't usually ask you to donate to National Indivisible, but today we thought it was justified. National has launched a massive digital ad campaign to pressure key Republican senators on impeachment. They have budgeted $286,000 for targeted ads in key states across the country, and they need your help to cover the cost. Click here to donate $10 tonight to fund ads supporting impeachment, pressure Senate Republicans, and support all of Indivisible Action’s work. Indivisible has identified 13 vulnerable senators for the ad campaign. All Senators took an oath of office to uphold the Constitution, and they need to put democracy before party, to commit to a fair and transparent impeachment trial in the Senate. As a reminder, Indivisible does not take money from political parties or candidates - grassroots gifts are their single biggest source of income -- they literally can't do this without us.
